## Hahei

3 Bedroom, 2 Bathroom, 1 Living/Dining, 101.6 m<sup>2</sup>

The Hahei plan is the latest edition to our Coastal Collection. This compact, modern design is full of features you would only expect to find in a much larger home. The kitchen is the hub of the home and flows into an open plan dining/living space. This large living area comes complete with two sliding doors to create the ideal indoor outdoor flow.

The master bedroom has its own ensuite and two other bedrooms cleverly share a separate bathroom. Perfect entertaining home to have by the beach or in the country.
